

FREEDOM OF INFORMATION ACT (FOIA) NOTICE ASSESSMENT OFFICE/GIS DEPARTMENT

The following information is in conformance with the Freedom of Information Act 5 ILCS 140/1 *et seq.*

PURPOSE

The Assessment office instructs and assists the township assessors in order to promote the uniformity of assessments throughout the different townships. In addition the office handles a variety of administration items such as Homestead Exemption applications, transferring ownership when property sells, and providing clerical assistance to the Board of Review.

The GIS Department supports multiple county business functions and is responsible for the maintenance and expansion of geographic data, including cadastral, zoning, land use, and jurisdictional boundary maps. The Department provides map products to other county departments, developers, and the general public.

OFFICE LOCATION

The Assessment and GIS departments are located on the 1st Floor of the Old Courthouse, 112 E. Second Street, Dixon, IL 61021

EMPLOYEES/BUDGET

The Assessment Office has a part-time and four full-time employees. The annual operating budget for 2021 is \$403,681. The GIS Department has two full-time employees. The annual operating budget is \$135,975.
