

# FREEDOM OF INFORMATION ACT (FOIA)

## NOTICE

### LEE COUNTY GIS/IT OFFICE

Location of office  
112 East Second Street  
Dixon, IL 61021

GIS/IT Director - Mike McBride

#### About our Office:

---

The Lee County GIS/IT office provides technical hardware and software support for all county offices with exception to the Lee County Health Department. All software, hardware and computer related equipment is purchased through this office. GIS provides mapping data for county offices and public access as well. In working with the Lee County Assessor's office, all GIS map changes (example: parcel splits, combinations, etc.) are maintained by this office. We also provide parcel data w/tax roll data to the public as well as different size maps either in hard or digitized copies. These services are provided for either a flat fee or per parcel fee along with a setup fee.

The FOIA officer for this office is Mike McBride.

There are 2 full time employees in the GIS/IT Office. Mike McBride – Lee County GIS/IT Director and Thomas O'Malley – GIS/IT Technician

This office has 2 primary budget accounts: Computer Services and GIS Recording Fee. The annual operating budget of the GIS/IT office for 2016-2017 is \$221,291.

#### Contact Us:

---

Any person may request, preferably in writing, information and documentation by making a clear, concise request to the FOIA officer. If this officer is absent or unavailable, the request can be presented to any full time employee available in the GIS/IT office. In the event that there are no employees present in the office, a written request may be mailed or sent via email to the contact information stated below.
